Lösung 502

The puzzle solution consists of a 15x15 grid with various black shapes and blue circles. The shapes include squares, triangles, and horizontal bars. The blue circles are arranged in pairs, representing wheels. To the right of the grid, there are several rows of component lists, each containing a sequence of the shapes used in the puzzle. Below the grid, there are three columns of component lists, each corresponding to a specific vehicle or part of the puzzle.
